person who, while in that city park, trail, or open space violates any law regarding controlled substances, or engages in conduct that:

(a) Is classified as a felony or misdemeanor under the following Chapters of the Oregon Revised Statutes, or is an attempt, solicitation or conspiracy to commit any such felony or misdemeanor defined in ORS:

(iv) Chapter 165 – Offenses Involving Fraud or Deception;

(v) Chapter 166 – Offenses Against Public Order; Firearms and Other Weapons; Racketeering;

(iii) GRC 7.10.060 – Unlawful Prostitution Procurement Activities; or

(iv) GRC 7.10.040 – Unlawful Discharge of a Firearm.

(e) Nothing in GRC 7.10.155 shall be construed to authorize the exclusion of any person lawfully exercising free speech rights or any other rights protected by the state or federal constitutions. However, a person engaged in such protected activity who commits acts that are not protected, but which violates applicable provisions or law, may be subject to exclusion.

(2) Exclusion under this Article shall be for thirty (30) days. If the person to be excluded has been excluded from any park, trail, or open space at any time within two years before the date of the present exclusion, the exclusion shall be for ninety (90) days. If the person to be excluded from one or more parks, trails, or open spaces on two or more occasions within two years before the date of the present exclusion, the exclusion shall be for one hundred eighty (180) days.

(3) If the person's behavior does not rise to the level of the behavior described in section (1)(a)-(d) above, but is causing either a significant and immediate threat to public health and safety, or a serious disturbance that is preventing other people from enjoying the park, trail, or open space, the person may be excluded from that park, trail, or open space for a period of 24 hours only. If a person receives two exclusions under this section and then commits additional violations, any further exclusions the person receives under this section may be for a period of thirty (30) days.

(4) No person shall enter or remain in any park, trail, or open space at any time during which there is in effect a notice of exclusion issued under this Article excluding that person from that park, trail, or open space. A person who knowingly violates an order of exclusion from a city park, trail, or open space commits the crime of criminal trespass.

(5) Before issuing an exclusion under this Article, a peace officer shall first give the person a warning and a reasonable opportunity to desist from the violation. An exclusion shall not be issued if the person promptly complies with the warning and desists from the violation. Notwithstanding the provisions of this subsection, no warning shall be required if the person is to be excluded for committing any act:

- (a) punishable as a felony,
- (b) involving controlled substances,
- (c) which resulted in an injury to any person, or
- (d) which resulted in damage to any property.

(6) Written notice shall be given to any person excluded from any city park, trail, or open space under this Article. The notice shall specify the date, length and place of the exclusion; shall identify the provision of law the person has violated and contain a brief description of the offending conduct. It shall be signed by the issuing peace officer. Warnings of consequences for failure to comply shall be prominently displayed on the notice.

(7) A person receiving notice of exclusion from a park, trail, or open space may request a hearing before a hearings officer to have the exclusion rescinded or the period shortened. Written notice of the appeal must be filed with the City Manager within ten (10) days of receipt of the exclusion notice. Failure to file written notice of appeal within ten (10) days will be deemed a waiver of further action.

(8) Hearing Procedures.

(a) When a timely request for a hearing is made, a hearing shall be held before a hearings officer appointed by the city attorney.

(b) The hearing shall be set and conducted within five business days of receipt of the request, excluding holidays,

Saturdays and Sundays. The hearing may be scheduled for a later date if the person excluded so requests.

(c) At the hearing, the person excluded may contest the validity of the exclusion and may present evidence.

(d) The City shall have the burden of proving by a preponderance of the evidence the validity of the exclusion. The City may present evidence either by testimony or written report of the officer. If the city's evidence is presented only by written report and the hearings officer cannot resolve a question by information contained in the report, the hearing may be held open for a reasonable time to complete the record.

(e) If the hearings officer finds by a preponderance of evidence that each element necessary to issue the exclusion notice has been proven, and if the exclusion is otherwise in accordance with law, the hearings officer shall uphold the exclusion.

(f) If the hearings officer finds that the City has not met its burden of proof, or that the exclusion is otherwise unlawful, then the hearings officer shall enter an order rescinding the exclusion. If the hearings officer finds that the city has met its burden of proof, but that the length of the exclusion is unreasonable under the circumstances, the hearings officer may issue an order shortening the length of the exclusion.

(g) The decision of the hearings officer is final.

(9) At any time within the period of exclusion, a person receiving a notice of exclusion may apply in writing to the Chief of Police or designee for a waiver of some or all of the effects of the exclusion. The application must show good cause for the waiver requested. If the Chief or designee grants a waiver, the Chief or designee shall promptly notify the Gresham Police Department's Record Section and the Gresham Parks and Recreation Division of such action. In exercising discretion under

this subsection, the Chief or designee shall consider the seriousness of the violation for which the person has been excluded, the particular need of the person to be in the park, trail, or open space during some or all of the period of exclusion, such as for work or to attend or participate in a particular event (without regard to the content of any speech associated with that event), and any other criterion the Chief determines to be relevant to the determination of whether or not to grant a waiver. Notwithstanding the granting of a waiver, the exclusion will be included for purposes of calculating the appropriate length of exclusions. The decision of the Chief or designee to grant or deny, in whole or in part, a waiver is committed to the sole discretion of the Chief or designee, and is not subject to appeal or review.

(10) If an appeal of the exclusion is timely filed, the effectiveness of the exclusion shall be stayed, pending the outcome of the appeal. If the exclusion is affirmed, the remaining period of exclusion shall be effective immediately upon the issuance of the hearings officer's decision, unless the hearings officer specifies a later effective date.

(11) If a person is issued a subsequent exclusion while a previous exclusion is stayed pending appeal, or pending judicial review should a court stay the exclusion, the stayed exclusion shall be counted in determining the appropriate length of the subsequent exclusion. If the predicate exclusion is set aside, the term of the subsequent exclusion shall be reduced, as if the predicate exclusion had not been issued. If multiple exclusions issued to a single person for a single park, trail, or open space are simultaneously stayed pending appeal, the effective periods of those which are affirmed shall run consecutively.

7.20.010 Noise Control.

GRC Article 7.20 of the Code may be cited as the Gresham Noise Control Code.

7.20.020 Policy.

Certain activities essential to the economic, social, political, educational, and technical advancements of the citizens of the city necessarily require the production of sounds that may offend, disrupt, intrude, or otherwise create hardship among the citizenry. The time or manner of sound may constitute a hazard to the health, safety, welfare, and quality of life of residents of the city.

It is the policy of the city to limit and regulate sound deemed to be harmful to the health, safety, welfare, and quality of life of the citizens of the city, and this code shall be liberally construed to effectuate that purpose.

7.20.030 Definitions.

For purposes of the Gresham Noise Control Code, the following mean:

Audio or Visual Equipment. Includes, but is not limited to, compact disc players, phonographs, radios, stereo systems, tape players, tape recorders, televisions, and video cassette recorders.

Noise Sensitive Unit. Real property normally used for sleeping, or normally used as schools, churches, hospitals or public libraries. Property

used in industrial or agricultural activity is not noise sensitive property unless it meets the above criteria in more than an incidental manner.

Plainly Audible Sound. Unambiguously communicated sound that is:

- (1) spoken speech;
- (2) music; or
- (3) mechanical or electronic noise.

Premises Open to the Public. Street, parking lot, or other premises open to the general public for the use of motor vehicles, whether the premises are publicly or privately owned and whether or not a fee is charged for the use of the premises.

Residential Party. A party held in a place of residence, which is a building regularly or intermittently occupied by a person for dwelling, lodging, or sleeping purposes, whether or not the resident is actually present.

Sound Producing Source. Anything that is capable of making sounds that can be measured by a sound level meter as provided in GRC 7.20.040(1). "Sound producing source" includes, but is not limited to, the following:

- (1) air conditioning or heating units, heat pumps, refrigeration units (including those mounted on vehicles), and swimming pool or hot tub pumps;
- (2) air horns, bells, or sirens;
- (3) audio or visual equipment;
- (4) domestic tools, including chain saws, electric drills, electric saws, hammers, lawn mowers, leaf/snow blowers, and similar tools;
- (5) loudspeakers or public address systems;
- (6) musical instruments;

(7) spoken speech;

(8) vehicle engines or exhaust systems, other than regular traffic upon a highway, road or street;

(9) vehicle tires, when caused to squeal by excessive speed or acceleration;

(10) residential parties in a place of residence that are plainly audible to noise sensitive units that are not the source of the party.

Vehicle. Any device in, upon, or by which any person, animal, or property is or may be transported or drawn upon a highway and includes vehicles that are propelled or powered by any means.

(Ord. No. 1268, Amended, 12/17/1992)

7.20.040 Prohibitions.

No person may produce or permit to be produced, with a sound producing source, sound that:

(1) When measured at or within the boundary of property on which a noise sensitive unit which is not the source of the sound is located:

(a) exceeds 50 dBA at any time between 10:00 p.m. and 7:00 a.m. the following day; or

(b) exceeds 60 dBA at any time between 7:00 a.m. and 10:00 p.m. the same day; or

(c) is plainly audible at any time between 7:00 a.m. and 10:00 p.m. the same day at a distance of at least 100 feet from the source of the sound.

(2) Is plainly audible at any time between 10:00 p.m. and 7:00 a.m. the following day:

(a) within a noise sensitive unit that is not the source of the sound; or

(b) on a public right-of-way at a distance of at least 50 feet from the source of the sound.

(3) A violation of the Noise Code is a Class A violation.

(Ord. No. 1507, Amended, 09/19/2000; Ord. No. 1268, Amended, 12/17/1992)

7.20.050 Exceptions.

The following are exceptions to the prohibitions of GRC 7.20.040:

(1) Sounds caused by organized athletic or other group activities, when such activities are conducted on property generally used for such purposes, such as stadiums, parks, schools, churches, and athletic fields. This exception shall not impair the manager's power to declare such event or activity in violation of other laws, ordinances or regulations.

(2) Sounds caused by emergency work, or by the ordinary and accepted use of emergency equipment, vehicles, and apparatus, regardless of whether such work is performed by a public or private agency, or upon public or private property.

(4) Sounds regulated by federal law, including, but not limited to, sounds caused by railroad, aircraft, or commercially licensed watercraft operations.

(7) Sounds caused by regular vehicular traffic upon premises open to the public.

(8) Sounds caused by domestic tools during the hours of 7:00 a.m. and 10:00 p.m.

(9) Sounds caused by a source that has applied for, and received, a variance from the manager. The variance may be issued if the manager determines that granting the variance is consistent with GRC 7.20.020. The variance may be subject to such conditions as deemed reasonable by the manager.

(10) Sounds caused by activities associated with the collection of garbage, recyclables, and yard debris, subject to the provisions of GRC 7.25.205.

(Ord. No. 1602, Amended, 04/01/2005; Ord. No. 1561, Amended, 12/03/2002)

7.20.060. Administration and Enforcement.

(1) Citations may be issued for violations of the noise ordinance.

(2) If the manager reasonably believes that the instrument causing the sound deemed to be a violation likely may be used to persist in causing additional violations of this ordinance, the manager may seize the instrument and impound it. The court, upon disposition of the issued citation, shall determine whether the instrument shall be returned to the defendant, or deemed contraband subject to GRC 7.50.320(7).

(3) In addition to other remedies provided by this code, a violation may be enjoined by a civil action pursuant to ORS 30.315.

GRC Article 7.25 shall be known and may be cited as the "Solid Waste Control Ordinance" and may also be referred to as "this ordinance."

7.25.015 Purpose.

The provisions of this Article are intended to ensure that the citizens of Gresham receive exceptional service from a solid waste management system that is cost-effective, efficient and encourages waste reduction. These provisions are not intended to restrict the transportation of solid waste, recyclable materials, and yard debris collected in accordance with the Article, except as provided by other applicable federal, state and local laws and regulations. The licensing and registration provisions are intended to help the city comply with state recycling requirements and fulfill its responsibility to assist the state and region in meeting recycling goals. Fees collected pursuant to this Article are intended for use in administering the licenses and registrations, enforcing the terms of this Article, providing state and regionally mandated waste reduction education programs to residences and businesses served by licensees and registrants, and for other municipal purposes.

(Ord. No. 1611, Amended, 10/06/2005; Ord. No. 1586, Amended, 4/15/2004; Ord. No. 1509, Amended, 10/03/2000; Ord. No. 1494, Enacted, 02/15/2000)

7.25.020 Definitions.

As used in GRC Article 7.25, the following mean:

Allowable expenses. Shall include all reasonable costs incurred by licensees associated with the provision of solid waste, recyclable materials and yard debris collection services required herein and the cost of complying with all applicable laws, regulations or orders as now or hereafter amended. Allowable expenses as defined shall be presumed to be reasonable if, in the context of overall cost for a licensee, such expenses are: (1) comparable with the expenses incurred by a preponderance of similarly situated solid waste, recyclable materials and yard debris

collection companies in the Portland metropolitan area; and (2) are based on the percentage of expenses incurred for services provided to Gresham and Wood Village customers. Allowable expenses shall include, but not be limited to, the following:

(1) Costs associated with the disposal and/or processing of all materials collected as required by GRC Article 7.25, Solid Waste Control, including the costs of marketing materials to secondary markets, and all applicable fees;

(2) All labor costs, directly or indirectly associated with and necessary to the provision of services required by GRC Article 7.25, Solid Waste Control, including all costs associated with all contracts and collective bargaining agreements, supervisory labor, workers' compensation and all benefits including, but not limited to health care, pension, and payroll taxes;

(3) All vehicle, equipment, container, and asset costs, including timely replacement, depreciation and interest expenses, lease costs no greater than those that would be charged by an independent third party to provide substantially equivalent equipment, vehicle registration fees, motor fuel, oil, tires and repairs and maintenance for such vehicles and equipment that are reasonably necessary to provide the services defined in GRC Article 7.25, Solid Waste Control;

(4) Performance bonds and liability insurance premiums in the amounts of coverage required by the city;

(5) All administrative and management costs and expenses reasonably allocated to the services required under GRC Article 7.25, Solid Waste Control, including, but not limited to, reasonable compensation, management fees, and benefits for officers and employees, payroll taxes, administrative staff, data processing, billing, rent and supplies; provided that there shall be included in allowable expenses only that portion of management fees, compensation and benefits paid by a licensee that is at a level comparable with prevailing industry standards for similar services and positions provided to or at solid

waste, recyclable materials and yard debris collection companies in the metro region that are similar in size and operations to those of the licensees', and there shall be excluded from allowable expenses only that portion of management fees, compensation and benefits paid by the licensees that are in excess of such levels;

(6) Utilities;

(7) Training and worker safety;

(8) Marketing, promotion and public education costs approved by the city;

(9) Interest costs such as interest charges on the purchase of equipment or facilities, or on loans for working capital but not interest costs which are otherwise an unallowable expense as defined in this section;

(10) Property, equipment or facility rental or lease costs, provided that with respect to any lease entered by a licensee with a related party, the lease costs under such lease shall only be included in allowable expenses to the extent that such lease costs do not exceed those that would be charged by an independent third party to provide the substantially equivalent property, equipment or facilities;

(11) Costs for collecting and maintaining information directly and specifically required by GRC Article 7.25, Solid Waste Control, costs of preparing, producing and printing all reports and information required under GRC Article 7.25 (including without limitation, the fees and expenses of accountants and other outside advisors and consultants), and all costs and expenses of participating in, complying with or otherwise being subject to the accounting and regulatory processes associated with or required by GRC Article 7.25, Solid Waste Control, or under law;

(12) License fees, business fees, surcharges, or any other fees collected from licensees by the city.

(13) Any expense incurred in the collection, handling, processing, storing, transporting, marketing, or sale or other disposition of recyclable materials and any expense incurred in connection with education, promotion and notice of the opportunity to recycle; and

(14) Any other expense determined in advance by the city and the licensees to be reasonable and necessary to the provision of the services required under GRC Article 7.25, Solid Waste Control, and agreed to in writing.

Allowable expenses as defined above may be provided by affiliates of, or related parties to, a licensee provided that they do not exceed the market rate charged by third parties for similar services. If an expense of a licensee is questioned by the city, that licensee must submit proof that the expense is reasonable.

Bulky wastes. Large items of solid waste such as appliances, furniture, large auto parts, trees, branches greater than four inches in diameter and 36 inches in length, stumps and other oversized wastes whose large size precludes or complicates their handling by normal collection, processing or disposal methods.

Business or Commercial. Stores; offices, including manufacturing and industrial offices; restaurants; warehouses; schools; colleges and universities; hospitals; and other industrial, manufacturing, and non-manufacturing entities, including public bodies; but does not include business activities in residential dwellings unless they subscribe to commercial collection services from their franchised hauler.

Compensation. (1) any type of consideration paid for service, including, but not limited to rent, membership fees, the proceeds from resource recovery, any direct or indirect provision for the payment of money, goods, services or benefits by tenants, lessees, occupants, members or similar persons; or (2) the exchange of service between persons.

Construction and demolition debris. Used or discarded construction materials removed from a premise during construction, demolition or renovation of a structure for which a permit has been obtained pursuant to GRC Article 10.05. Under the terms of this Article such materials are classified as non-residential in source.

Contaminated Load. A load of source-separated recyclable materials that contains more than 5% non-recyclable materials by weight.

Curbside. A location within three feet of the edge of a public street, excluding such area separated from the street by a fence or enclosure. The "street" may be a public alley if the licensee desires to pick up receptacles from the alley. For

residences on a flag lot, or other private driveway, or any private street not meeting the standards, "curbside" shall be the point where the driveway or private street intersects the public street, or at such other location agreed upon between the licensee and customer or as determined by the city.

Customer. The person that enters into an agreement with a licensee or registrant for the collection of solid waste, source-separated recyclable materials, and/or yard debris.

Mail. The delivery of a notice or other communication by first class mail. If a person has agreed to accept delivery of notification by email or fax, delivery by email or fax satisfies the mailing requirement.

Occupier. Any person who has possessory rights in, or control over, the subject property, premises, or business located at the property location, including a tenant.

Post / Posting / Posted. The act of personally delivering a notice to a property, including affixing a notice to a property or personally delivering a notice to the owner, person in charge of the property, or occupier, at the property location. In the event of a vacant property, or conditions which make posting impractical, mailing a notice to the property owner at the last known address as listed with the County Tax Assessor's Office satisfies the posting requirement.

(Ord. No. 1669, Enacted, 04/16/2009)

7.50.010 Compliance Orders.

In addition to any other remedy, the manager may issue a compliance order to address any violation of this code. The compliance order shall describe the violation and the potential consequences if the violation is not cured and may order a person to:

(1) Cease and desist any practice, activity or operation that is or results in a violation of this code;

(2) Take remedial or preventive action to cure or prevent a violation of this code;

(3) Develop a plan to comply with the provisions of this code; or

(4) Meet a time schedule for compliance.
(Ord. No. 1647, Amended, 09/20/2007; Ord. No. 1561, Enacted, 12/03/2002)

7.50.020 Notice of Violation.

(1) Unless otherwise provided in this section, when there is a violation of the code and no imminent threat to public health and safety,

written Notice of Violation shall be mailed to the owner of the property where the violation exists, at the last known address as listed in the County Tax Assessor's Office and/or, if applicable, to the address listed on the most recent residential rental license application, directing the owner to correct the violation by the date specified in the notice.

(2) At or about the time of the mailing of the notice specified in GRC 7.50.020(1), the manager shall mail a copy of the notice to:

(a) the person in charge of the property, if known, and if different from the owner;

(b) the occupier, if different from the owner or person in charge of the property; and

(c) the person who caused the violation to come into or continue in existence, if known and if different from the above named parties.

(3) The written notice shall contain:

(a) a description of the real property, by street address or otherwise, on which the violation(s) exist(s);

(b) citation of the specific sections of the code giving rise to the alleged violation(s) and a description of the violation(s) which must be corrected;

(c) a direction to correct the violation(s) by the date(s) specified in the notice;

(d) a statement that in addition to any other enforcement action, if a violation is not corrected by the correction date specified in the notice, administrative enforcement fees will be imposed on the owner pursuant to GRC 7.50.040;

(e) a statement that unless the violation(s) are corrected by the date specified in the notice, in addition to any other enforcement action, the city may abate the violation pursuant to GRC 7.50.221 and the costs of abatement will be charged to the owner;

(f) a statement that if the costs of abatement and administrative enforcement fees are not paid, they shall become a lien on the property;

(g) a statement that the owner and any other interested party may protest the city's notice of violation, and the possible imposition of costs of abatement and administrative enforcement fees and request a hearing, by giving written notice to the manager within fourteen (14) calendar days from the date the notice was mailed;

(4) If prior Notice of Violation was sent to the owner or person in charge of the property within the preceding 12 months, ownership or control of the property has not changed, and the prior notice was returned as undeliverable or if delivery was refused, then notice by publication as set forth in (5) satisfies the mailing requirement.

(5) If the Notice of Violation to the owner is returned as undeliverable or delivery is refused, notice of the violation shall be published in a newspaper of general circulation at least ten (10) days before administrative enforcement fees are imposed.

(6) An error in the name or address of the owner or the use of a name other than that of the owner shall not make the notice void.

(7) The owner shall take all steps necessary to correct the violation or show that the violation does not exist by the correction date specified in the Notice of Violation.

(8) The owner and any other party who received a Notice of Violation may protest the city's Notice of Violation, and the possible imposition of administrative enforcement fees and request a hearing, by giving written notice to the manager within fourteen (14) calendar days from the date the notice was mailed. The hearing shall be conducted pursuant to GRC 7.50.030.

(9) A Notice of Violation is required prior to the city imposing administrative enforcement fees or abatement pursuant to GRC 7.50.221.

(10) A Notice of Violation is not required before the city initiates the following enforcement actions:

(a) abatement in circumstances of an imminent threat to public health and/or safety;

(b) a citation; or

(c) a stop work order.
(Ord. No. 1669, Enacted, 04/16/2009)

7.50.030 Protest and Hearing.

(1) A person who has received a Notice of Violation, Stop Work Order, or a Costs and Fees Notice, may object to the contents of the notice and request a hearing. The person shall submit to the manager a written statement of protest specifying each and every reason for the protest, and providing accurate contact information. Unless otherwise specified in the notice being protested, the protest must be received by the City no later than 5:00 pm PST, fourteen (14) calendar days from the date the notice was mailed.

(2) If the statement of protest is timely, it shall be referred to a hearings officer designated by the city attorney, who shall conduct a hearing and make all decisions concerning the protest. The hearings officer shall set a date and time for the hearing at the earliest possible opportunity. The city shall promptly notify the person requesting the hearing, using the contact information provided in the statement of protest, of the time and place for hearing. Notice may be by any means of giving actual notice. Notice may also be given to any person determined to be an interested party in the matter. An untimely protest shall be summarily dismissed.

(3) The person requesting a hearing may make a single request to reschedule the hearing. The request shall be granted if it is in writing, stating the reason for the request, and received by the city three (3) business days prior to the scheduled hearing date. Upon receipt of a hearing rescheduling request, the hearings officer

shall set a new hearing date and the city shall notify the person requesting the hearing.

(4) The hearings officer or city shall have the right to reschedule a hearing at any time.

(5) The person requesting the hearing and a representative of the city may make argument, submit testimony, cross-examine witnesses and submit rebuttal evidence on the pertinent issues, or may choose to be represented by an attorney at their own expense.

(6) If requested by either party, the hearing shall be recorded in a manner that allows for written transcription to be made; in such cases the city shall retain all materials submitted at the hearing as required by state law.

(7) Failure of the person(s) requesting the hearing to appear at the hearing or rescheduled hearing shall constitute a waiver of the right to a hearing.

(8) After the hearing the hearings officer shall mail a copy of the order stating the hearings officer's decision to the person requesting the hearing and to the manager. The decision of the hearings officer is final.

(9) If the hearings officer determines that a violation does exist, the owner shall correct the violation within fourteen (14) calendar days after the hearings officer issues the order, unless otherwise specified in the order.

(10) If the hearings officer determines that the basis for protest was unreasonable or designed only to delay enforcement action, or the person requesting the hearing does not appear at the scheduled hearing, the person requesting the hearing may be made to pay the costs of the hearing, including the cost of the hearings officer. Any such costs imposed by the hearings officer shall constitute a cost of abatement and collectable under GRC 7.50.240 and GRC 7.50.260.

(Ord. No. 1669, Enacted, 04/16/2009)

7.50.040 Administrative Enforcement Fees.

(1) The purpose of the administrative enforcement fee is to defray a portion of the actual cost of enforcing regulations pertaining to health or safety when the owner fails to meet the routine obligations established by code relating to that property.

(2) The manager shall impose on the owner an administrative enforcement fee established by council resolution:

(a) If a violation is not corrected as provided in GRC 7.50.020(7); or

(b) If a statement of protest is made under GRC 7.50.030(1), a violation is not corrected as provided in GRC 7.50.030(9).

(3) A separate administrative enforcement fee shall be imposed for each violation and for every day a violation exists and is not corrected.

(4) If corrections are not made within the time designated in the Notice of Violation, Administrative Enforcement Fees imposed under GRC Article 7.50 may be retroactively applied from the mailing date of the Notice of Violation.

(5) At the time an administrative enforcement fee is initially imposed, the manager shall mail the owner written notice that:

(a) administrative enforcement fees are accruing and unpaid administrative enforcement fees shall be a lien on the property pursuant to GRC 2.92.030;

(b) administrative enforcement fees shall be delinquent and a late payment charge shall be added if payment in full is not received by the city within thirty (30) calendar days from the invoice date;

(c) administrative enforcement fees constitute a debt to the city, which the manager may initiate legal action to collect;

(6) The initial administrative enforcement fee shall be delinquent, and late charges shall begin to accrue pursuant to GRC 2.92.010, if not paid within thirty (30) calendar days from the invoice date;

(7) Delinquent initial administrative enforcement fees, late payment charges, title search fees, and lien recording charges shall be a lien on the property. The lien shall be entered in the docket of city liens pursuant to GRC 2.92.030 and recorded with Multnomah County. Additional administrative enforcement fees shall be added to the lien as they accrue, regardless of whether or not they are delinquent. The lien may be foreclosed in any manner provided by ORS 223.505 to 223.650 or as otherwise provided by law.

(8) Administrative enforcement fees are separate from and in addition to any charge, cost, or fee assessed elsewhere in this code. The imposition or payment of the administrative enforcement fee shall not relieve the owner from correcting the violation. Administrative enforcement fees are not a tax.
(Ord. No. 1669, Enacted, 04/16/2009)

7.50.050 Temporary Waiver of Enforcement Action; Adjustments to Fees.

(1) The manager shall establish criteria and procedures to grant a temporary waiver of enforcement action, which will give a period of time, but no longer than six (6) months to correct the violation(s) cited. The criteria shall include factors such as the extent and cost of repairs, seriousness of the condition, financial capacity of the owner, and the time of year. Requests for Temporary Waivers of Enforcement Action shall be considered under the following conditions:

(a) the owner submits to the manager a request in writing;

(b) the request includes the property address, case number, applicant's contact information, and specifies each and every reason for the request; and.

(c) the manager may revoke the waiver if any of the conditions that allowed the owner to qualify for a waiver change. Because the waiver is granted to a specific property owner, the waiver automatically terminates upon change in ownership.

(2) The manager shall establish criteria and procedures to grant a request for reduction of fees, charges or other costs incurred due to enforcement action. Requests for a reduction shall be reviewed under the following conditions:

(a) the violations are corrected;

(b) the property owner or person in charge submits to the manager a request in writing; and

(c) the request includes the property address, case number, applicant's contact information, and specifies each and every reason for the request.

(3) A separate application for waiver or reduction of fees, charges or other costs must be submitted for each notice of violation sent to the applicant.

(Ord. No. 1669, Enacted, 04/16/2009)

(1) In addition to any other enforcement action the city may abate the violation.

(2) If the violation has not been fully corrected within the time specified in the Notice of Violation as provided in GRC 7.50.020 or as ordered by a hearings officer as provided in GRC 7.50.030, the manager may cause it to be abated, and the costs of abatement shall be assessed to and become a lien on the property. The manager's decision to proceed with abatement is entirely discretionary and not subject to protest or appeal. Any administrative enforcement fees imposed shall apply regardless of the manager's decision to proceed with abatement.

(3) In order to perform any function or duty authorized or required under this section, city representatives and their agents who are responsible for the abatement of code violations shall have the right at reasonable times to enter upon the property and to take all actions necessary to cause the removal of any violation. Abatement warrants under GRC 7.50.222 shall be utilized when violations that occur on private property are abated by the city.

(4) The manager shall provide the owner, person in charge of the property, if known and different from the owner, and occupier, a Notice of Abatement. The Notice of Abatement shall be posted on the property where the violation exists and contain the following:

(a) the violations that have been identified by the city which have not been corrected as required;

(b) a request for consent to enter onto the property and abate the violation;

(c) notice that if consent is refused, the city will obtain an administrative abatement warrant to enter the property and abate the violation(s);

(d) notice that the costs of abatement will be charged to the property owner; and

(e) notice that if the costs of abatement are not paid, they will be assessed to and become a lien on the property.

(5) At or about the time of posting, the manager shall mail a copy of the notice to:

(a) the property owner at the last known address as listed with the Multnomah County Tax Assessor's Office;

(b) the person in charge of the property, if known and if different from the owner; and

7.50.222 Administrative Abatement Warrant.

(1) If the violation for which a notice of violation and direction to abate has been issued is not removed or abated by the property owner, occupier, or other person in charge of the property subject to the violation notice, the manager may cause the violation to be removed and abated upon issuance of an abatement warrant.

(2) An abatement warrant shall be issued only upon cause, supported by affidavit, particularly describing: the applicant's status in applying for the warrant; the ordinance or regulation requiring or authorizing the removal and abatement; the building or property to be

entered; the basis upon which cause exists to remove or abate the violation, and a statement of the violation to be removed or abated. The affidavit shall also contain either a statement that consent to enter onto the property to abate the violation has been sought and refused or the facts and circumstances that reasonably justify the failure to seek such consent.

(3) Cause shall be deemed to exist if there is reasonable belief that a code violation exists with respect to the designated property, and that the property owner has been given notice and an opportunity to abate the violation and has not responded in a timely fashion.

(4) Procedure for Issuance of an Abatement Warrant.

(a) Examination. Before issuing an abatement warrant, the judge may examine the applicant and any other witness under oath and shall be satisfied of the existence of grounds for granting such application.

(b) Issuance. If the judge is satisfied that cause for the removal and abatement of the violation(s) exists and that the other requirements for granting the application are satisfied, the judge shall issue the abatement warrant, particularly describing the person or persons authorized to execute the warrant, the property to be entered, and a statement of the general types and estimated quantity of the items to be removed or conditions abated. The warrant shall contain a direction that it be executed on any day of the week between the hours of 8:00 a.m. and 6:00 p.m., or where the judge has specially determined upon a showing that it cannot be effectively executed between those hours, that it be executed at any additional or other time of the day or night.

(c) Police Assistance. In issuing an abatement warrant, the judge may authorize any peace officer, as defined in Oregon Revised Statutes, to enter the described property to remove any person or obstacle and to assist in any way necessary to enter the property and, remove and abate the violation.

(5) Execution of Abatement Warrants.

(a) Occupied Property: In executing an abatement warrant, the person authorized to execute the warrant shall, before entry into the occupied premises, make a reasonable effort to present the person's credentials, authority and purpose to an occupant or person in possession of the property designated in the warrant and show the occupant or person in possession of the property the warrant or a copy thereof upon request. A copy of the warrant shall be left with the occupant or the person in possession.

(b) Unoccupied Property. In executing an abatement warrant on unoccupied property, the person authorized to execute the warrant need not inform anyone of the person's authority and purpose, but may promptly enter the designated property if it is at the time unoccupied or not in the possession of any person or at the time reasonably believed to be in such condition. In such case a copy of the abatement warrant shall be conspicuously posted on the property.

(c) Return. An abatement warrant must be executed within 14 working days of its issue and returned to the judge by whom it was issued within 14 working days from its date of execution. After the expiration of the time prescribed by this subsection, the warrant, unless executed, is void.

(d) If an abatement warrant to secure entry onto the property subject to the notice of violation and direction to abate has been obtained, no property owner, occupier, or other person in charge of the property, shall refuse, fail or neglect, after proper request, to promptly permit entry by authorized persons to abate the violation(s). It shall be unlawful for any property owner, occupier, or other person in charge of the property to refuse to permit entry by authorized persons to abate the violations for which an abatement warrant has been obtained. Violation of this subsection is a Class B Violation.

(e) Abatement Consent Forms.

(i) The Manager shall develop consent forms allowing the Manager to enter onto property to abate the code violations. These consent forms shall be made available to the public.

(ii) Property owners, occupiers, or other persons in charge of property may request and sign consent forms allowing the city to abate violations. The Manager shall have the final authority to decide whether or not to enter onto property to abate a violation in each particular case.

When entered in the city lien docket, the assessment shall constitute a lien upon the property in violation of the code.

(3) The lien shall be enforced in the same manner as liens for assessments for local improvement districts and shall bear interest at a rate determined by resolution of the city council. The interest shall commence running on the date of the entry of the lien in the city lien docket. Prior to the filing of an action to abate a chronic nuisance property, the manager, Gresham Police Department, or their designee shall provide an opportunity to Property Owner or Agent as defined in GRC 7.15.020 to abate the chronic nuisance property voluntarily by the following procedures:

(1) When the manager, chief of police, or their designee receives a report or reports documenting the occurrence of two or more nuisance activities, defined in GRC 7.15.050(1), on or within 300 feet of a property within Gresham during any sixty (60) calendar day period, the manager, chief of police, or their designee may notify the Property Owner or Agent in writing that the property is in danger of becoming chronic nuisance property. The notice shall contain:

(a) The street address or a legal description sufficient for identification of the property;

(b) A statement that the property may be a chronic nuisance property, with a concise description of the nuisance activities that exist or have occurred;

(c) A demand that the Property Owner or Agent respond to the manager, chief of police, or their designee within ten (10) calendar days to discuss the nuisance activities. The manager, chief of police, or their designee shall offer the Property Owner or Agent an opportunity to propose a course of action that will abate the chronic nuisance activities giving rise to the violation.

(2) After the notification procedure in GRC 7.50.610(1) has been completed, if the manager, chief of police, or their designee receives a report documenting an additional nuisance activity on or within 300 feet of a property and determines that the property has become a chronic nuisance property, the manager, chief of police, or their designee shall notify the Property Owner or Agent in writing that the property has been determined to be a chronic nuisance property.

(a) The notice shall contain:

(i) The street address or a legal description sufficient for identification of the property; for a property consisting of more than one unit, such as a duplex or apartment complex, one or more units may be specifically designated as chronic nuisance properties;

(ii) A statement that the manager, chief of police, or their designee has determined the property to be chronic nuisance property, with a concise description of the nuisance activities leading to the finding;

(iii) A demand that the Property Owner or Agent respond to the manager, chief of police, or their designee within ten (10) calendar days and propose a course of action that the manager, chief of police, or their designee agrees will abate the chronic nuisance activities giving rise to the violation.

(b) Service of the notice shall be made either personally or by first class mail, addressed to the Property Owner or Agent at such place where the notice is likely to be received. A copy of the notice shall be served on the owner of the property at the address shown on the tax rolls of Multnomah County, and/or on the occupant at the address of the property, if these persons are different than the Property Owner or Agent.

(c) If the Property Owner or Agent does not contact the manager, chief of police, or their designee within ten (10) calendar days of service or mailing of the notice to the Property Owner or Agent, a copy of the notice shall be posted at the property.

(5) If the Property Owner or Agent responds as required by GRC 7.50.610(2)(a)(iii) and stipulates with the manager, chief of police, or their designee that the Property Owner or Agent

will pursue a course of action that the parties agree will abate the nuisance activities giving rise to the violation, the manager, chief of police, or their designee may postpone referring the matter to the City Attorney. If the agreed course of action does not result in the abatement of the nuisance activity or if no agreement is reached within sixty (60) days, the manager, chief of police, or their designee, after independently reviewing the evidence, may refer the matter to the City Attorney for consideration and presentation to the City Council.

(6) When a Property Owner or Agent responds to the manager, chief of police, or their designee as required by GRC 7.50.610(1)(c) or (2)(a)(iii), statements made in connection with that response shall not constitute an admission of any nuisance activities. This subsection does not require the exclusion of any evidence that is otherwise admissible or offered for any other purpose.

(7) Based on evidence showing that nuisance activities have created an imminent nuisance as defined in GRC 7.15.030, the imminent nuisance may be summarily abated as provided in GRC 7.50.210. In such an event the procedures set forth in GRC 7.50.610 need not be completed. (Ord. No. 1669, Renumbered and Amended, 04/16/2009; Ord. No. 1649, Amended, 12/18/1007; Ord. (2) The City shall have the initial burden of proof to show by a preponderance of the evidence that the property is chronic nuisance property.

(3) Evidence of a property's reputation and/or the reputation of the persons residing in or frequenting it shall be admissible.

(4) Documentation and other evidence generated in connection with other Code Enforcement activity or investigation, including General Nuisance violations under GRC 7.15.040 shall be admissible.

(6) If the Court determines property to be chronic nuisance property, the following remedies apply:

(a) The Court shall order that the property be closed and secured against all access, use and occupancy for a period of not less than six (6) months and not more than one (1) year. The order shall be entered as part of the final judgment. For property consisting of more than one unit, the Court may limit closure to the unit or units of the property on which any nuisance activity has occurred or is occurring, and may order the closure of individual units for periods of less than six months. In any judgment the court may order the closure of areas of the property used in common by all units of property including without limitation other structures erected on the property and areas used for parking, loading and landscaping. The Court shall retain jurisdiction during any period of closure.

(b) The Court may subject the Property Owner or Agent to a civil penalty of up to \$100 per day for each day nuisance activities occurred on the property following notice pursuant to GRC 7.50.610(2), or the cost to the City to abate the nuisance activities at the property, whichever is greater. The Court shall not award civil penalties if the person in charge at all material times could not, in the exercise of reasonable care or diligence, determine that the property had become chronic nuisance property. In establishing

the amount of any civil penalty, the Court may consider any of the following factors and shall cite those found applicable:

(c) The court may, in its discretion, award attorneys fees to the prevailing party.

(d) The Court may authorize the City to physically secure the property against all access, use or occupancy in the event that the Property Owner or Agent fails to do so within the time specified by the Court. The City Department(s) physically securing the property shall prepare a statement of costs and the City shall submit that statement to the court for review as provided by Oregon Rule of Civil Procedure 68. All costs reasonably incurred by the City shall be paid to the City by the Property Owner or Agent. Reasonable costs includes costs actually incurred by the City for physically securing the property, as well as tenant relocation costs pursuant to subsection (5)(e) of this Section.

(e) A Property Owner or Agent shall pay reasonable relocation costs of a tenant as defined in ORS 90.100(28) if, without actual notice, the tenant moved into the property after either:

(i) A Property Owner or Agent received notice from the manager, chief of police, or their designee pursuant to GRC 7.15.090(2); or

If the report does not recommend discontinuing or changing a drug-free zone no Council action will be needed.

7.90.070 Appeal and Variances.

(b) received the notice required by GRC 7.90.060 (1).

(2) If a person issued a notice of exclusion files an appeal as provided in this Chapter, imposition of a ninety (90) day exclusion shall be stayed pending a final, enforceable decision upholding the exclusion.

(k) At the hearing on an appeal of a ninety (90) day exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant committed any of the offenses enumerated in GRC 7.90.040(1), and that the conduct supporting the exclusion occurred within a drug-free zone.

(l) At the hearing on an appeal of a one (1) year conviction-based exclusion, the City shall have the burden to show by a preponderance of the evidence that the appellant was convicted of any of the offenses enumerated in GRC 7.90.040(1), and that the conduct supporting the conviction occurred within a drug-free zone.

(m) At the hearing on an appeal of a denial of a request for a variance as provided in Subsection (h)(i) of this Section, the City shall have the burden to show by a preponderance of the evidence that the denial was in accordance with this Section.

(o) At the hearing on an appeal of a revocation of a variance as provided in Subsection (1)(h)(iii) of this Section, the City shall have the burden to show by a preponderance of the evidence that any of the conditions enumerated in this Section supporting revocation existed at the time of revocation.

(i) A determination by a court having jurisdiction over the offense that forms the basis for the exclusion, that probable cause existed to arrest the person to whom the initial ninety (90) day notice of exclusion was issued for violation of any of the offenses enumerated in GRC 7.90.040(1); or

(ii) An accusatory instrument charging the person to whom a ninety (90) day notice of exclusion was

issued, for violation of any of the offenses enumerated in GRC 7.90.040(1).

(q) At the hearing on an appeal of a one (1) year conviction-based exclusion, a judgment of conviction for any of the offenses that formed the basis for the exclusion, as enumerated in GRC 7.90.040(1), shall be conclusive evidence that the described conduct occurred, but, absent a finding of fact by the court of conviction, is not conclusive evidence that the conduct occurred in a drug-free zone.

(4) VARIANCES. Variances shall be granted, denied, amended or revoked in accordance with the following provisions:

(a) All variances shall be in writing and shall state the purpose for which they are granted and the period of time during which they are effective. A variance granted under this Subsection allows travel within the drug-free zone only in accordance with the terms specified in the variance. The Chief of Police or designees will require a person

requesting a variance to provide and update an address through which the person can be reached for the duration of the variance in the event the City determines there is a need to amend or revoke the variance.

(5) REVOCATION OR AMENDMENT OF VARIANCES.

(a) A variance may be revoked or amended for the following reasons:

(i) The excluded person provided false information in order to obtain the variance;

(ii) There is probable cause to believe the person has committed any of the offenses enumerated in GRC 7.90.040(1) in the drug-free zone subsequent to the issuance of the variance;

(iii) The circumstances giving rise to the issuance of the variance no longer support a continuation of the variance or a term thereof;

(iv) The person presents new circumstances that would support amending the variance; or

(b) A revocation or amendment of a variance becomes effective at 5:00 p.m. on the fifth business day following mailing of notice of the action to the excluded person at the address provided pursuant to GRC 7.90.070 (4)(c), unless the excluded person appeals the determination by following the procedures in Subsection (3)(h) above.
